

ZACK KASS

The Next Renaissance

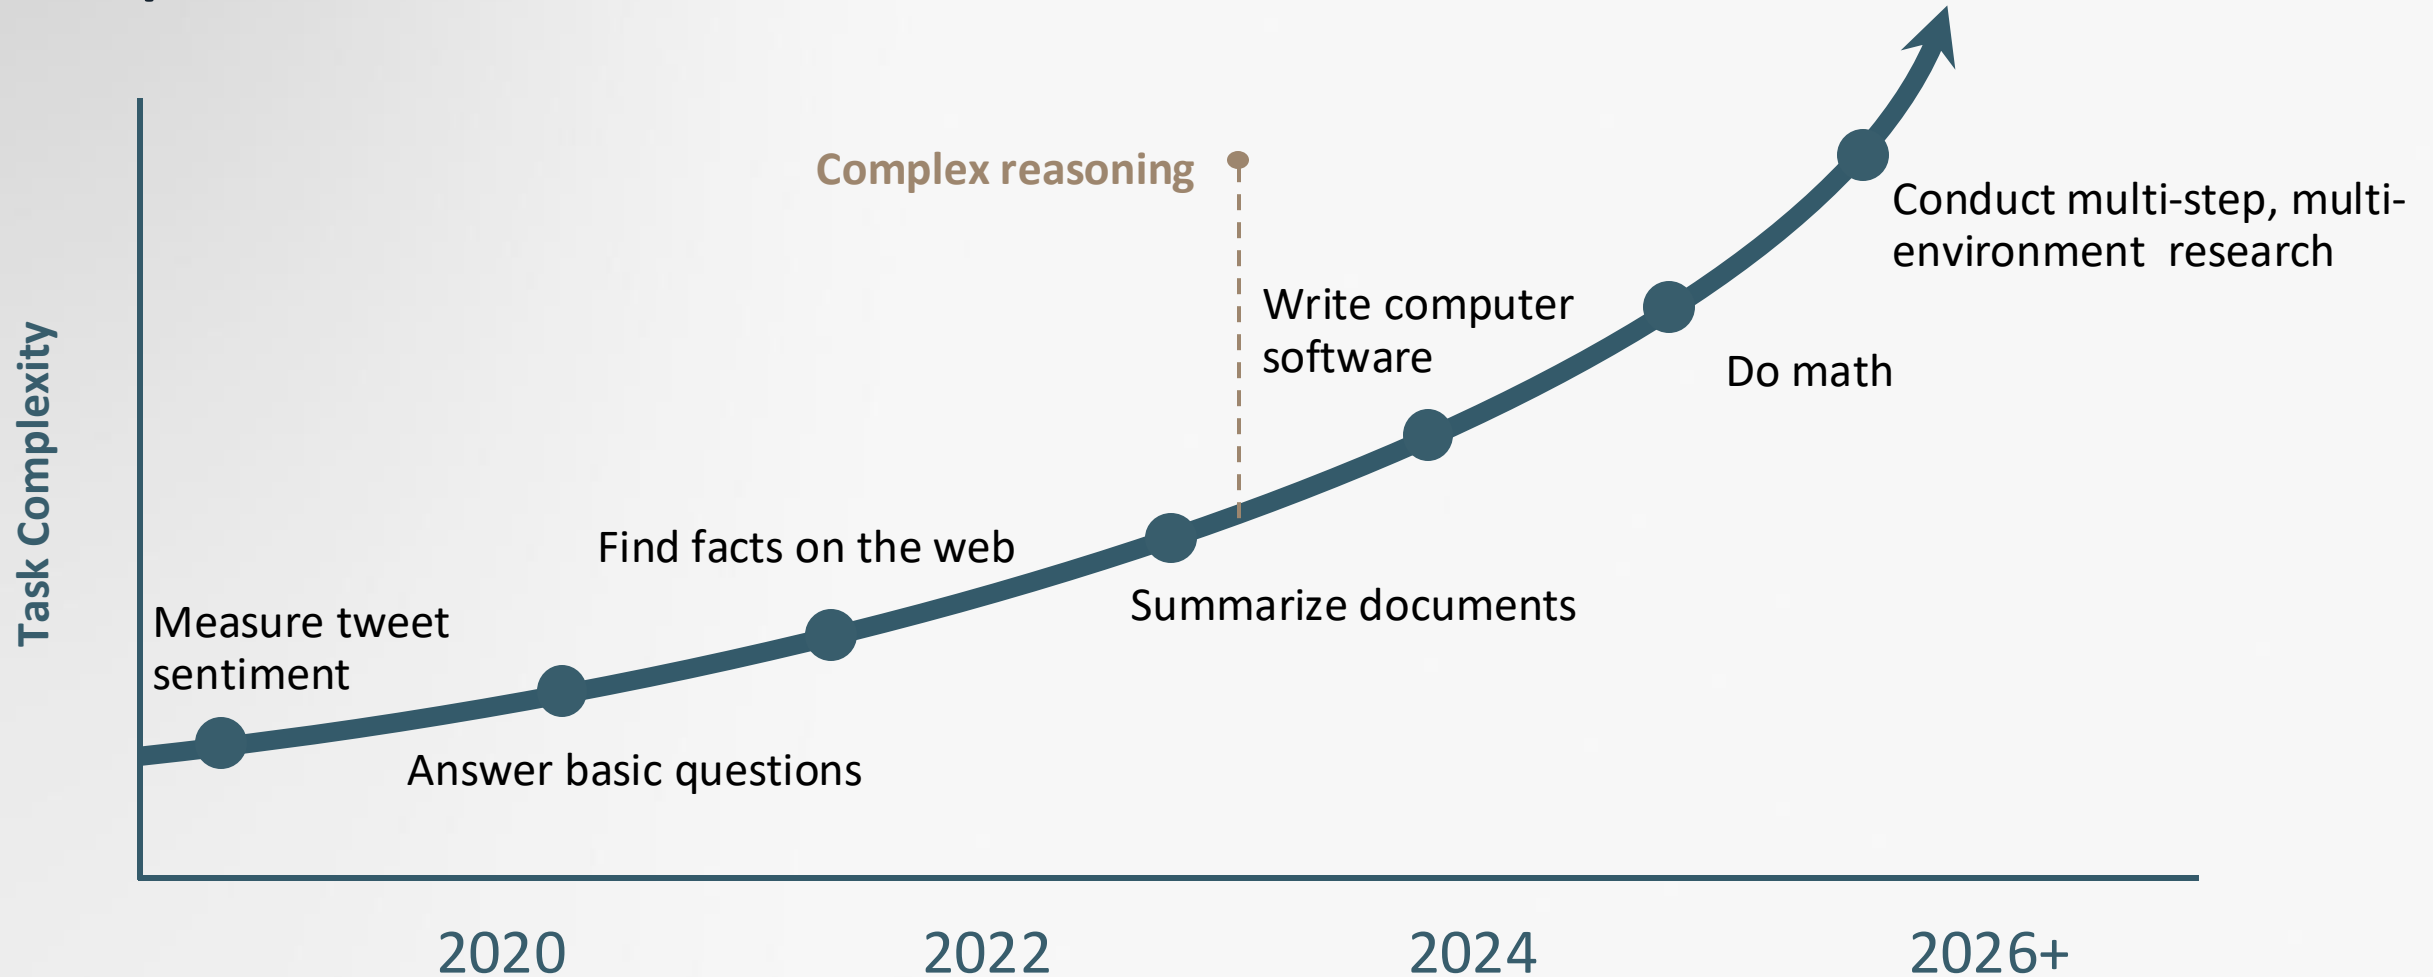

ZACK KASS

WHERE
ARE WE?

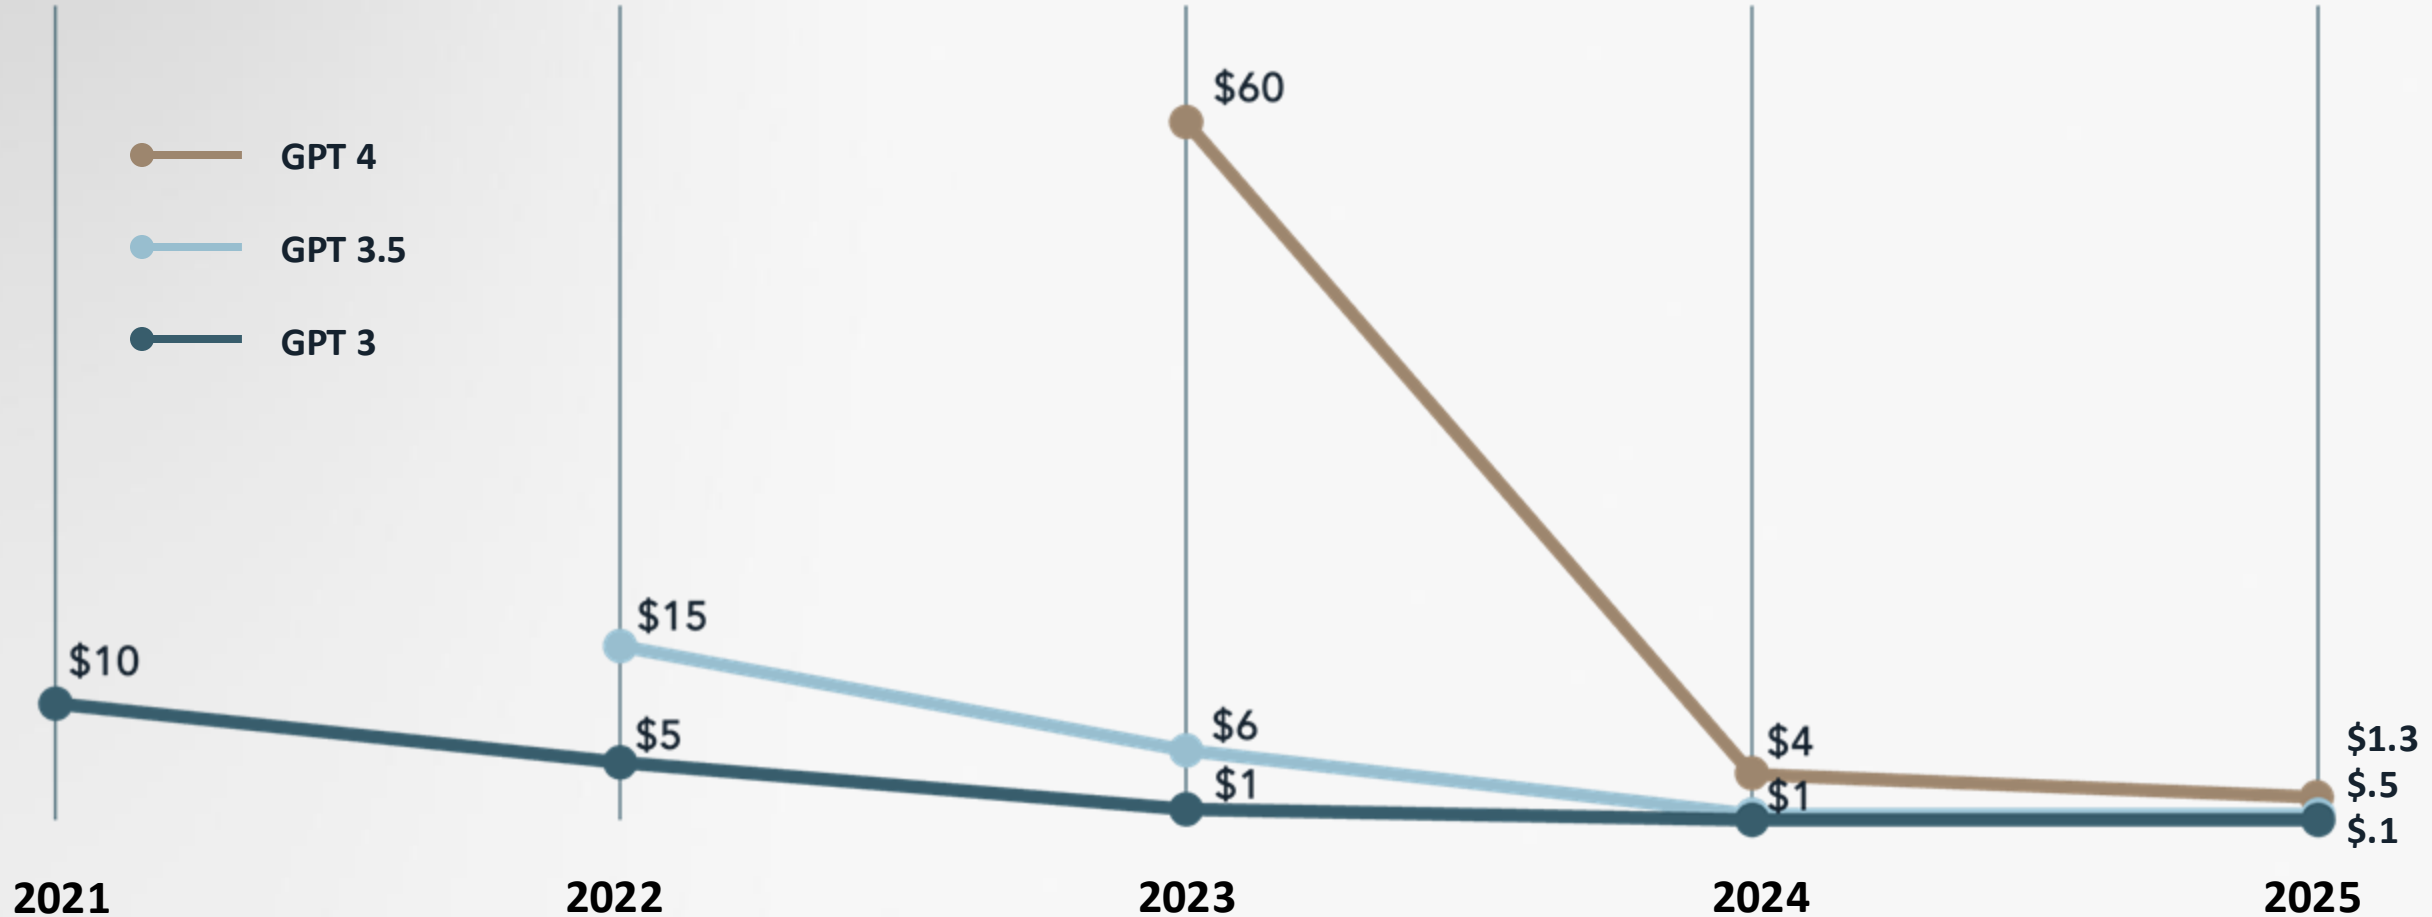

We are building machines that possess human **intellectual equivalence and superiority.**

Machine intelligence is gaining intellectual equivalence faster than ever.

Machine intelligence is getting *much* cheaper.

Price per million tokens

WHERE
ARE WE
GOING?

AI Integration Phases

PHASE 1

2022 - 2026

**Enhanced
Applications**

PHASE 2

2026 - 2035

**Autonomous
Agents**

PHASE 3

2035 - ?

**Natural Language
Operating System**

We are approaching
unmetered intelligence.

How might
unmetered intelligence
complicate and
compromise our lives?

Identity Displacement

How might
unmetered intelligence
**reduce suffering
and increase joy?**
